"Your Independent Local Government Agency Providing Parks, Recreation, Fire Protection and Emergency Medical Services"

New Registration Computer System Coming in 2004

CSD Improves Efficiency

To serve you better, the Elk Grove CSD – Parks and Recreation Department is changing to a new software registration system. Starting with Winter/Spring registration in January 2004, the new software will be used.

Another exciting change is Internet Registration, which goes into effect with Swim Registration in April 2004. Our new e-Connect software will allow 24/7 access to activity information and allows you to register from the convenience of your home!

In order to implement the new software, all clients must fill out the Client Data Sheet. Please complete and return by December 31, 2003. The Client Data Sheet can be mailed, faxed, or dropped off at the Parks and Recreation Main Office.

All clients returning the Client Data Sheet will receive **FASTREG** priority on registration day. Without this information, please expect a 10-minute to 60-minute delay while our client data collection team gathers your client information.

Information Policy

The information you provide is used only by Elk Grove CSD for registration purposes. All information remains confidential.

Birthdates are required for all family members under age 18. This ensures we place clients in age-appropriate activities.

At least one e-mail address is required to use e-Connect Internet Registration (starting with Swim Registration on April 1, 2004). Other e-mail addresses are optional.
